National Sweater Day

Sweater Day February 9th was a tremendous success! Gagetown was the top sweater school beating out Lincoln and Sunbury West School. Chase Meade and Elizabeth Whittaker won a free treat for their sweaters. We kept very warm! A special thanks to "Granny" Alex who announced the day's events and visited each classroom dressed in granny wear. Your voice made us wonder if you really are a granny.

100th Day

On Monday, February 20th we will be celebrating the 100th Day of school. In the morning, all K-5 students will be taking part in fun, hands-on learning experiences centered around math and the number 100. The grade 6-8 students will be providing leadership for these activities as they will be responsible for running the various math centers. After recess, we hope to have a very special surprise guest to top off our 100th Day Celebration! Stay tuned for more details.

Thank you

Ms. Raymond's K/1 class would like to thank the Upper Gagetown Women's Institute for making and donating 18 "chair bags" for their class. The chair bags go on the backs of the students' chairs and they place their read to self books in them.

Message from Community Liaison

Thanks for your support in filling out the club surveys! The first two clubs will begin the week of February 20th - during the elementary noon recess. The Plasticine Club will begin Monday and the Lego Club on Tuesday. Both clubs will run for 4 weeks and have a maximum of 10 to 12 students. Interested students will be selected by drawing names for spots in the 2 clubs. Students not selected this time will have other opportunities throughout the year. Our goal is for each child to have at least one opportunity to be a member of a club. We are hoping to add new clubs as we are able to get more volunteers.

Middle Level Club - Middle Level students will be invited to sign up for an Art Club with Libby Shakleton making monoprints. This club will run for 6 weeks on Mondays from 1:30-2:30.
